### CLASSIC PRAWN COCKTAIL – £6.45

Or should we say, "our twist on the classic". Juicy North Atlantic prawns with our own Marie Rose sauce. It's good, even if we do say so ourselves! Sat on a bed of fresh crispy iceberg lettuce, a wedge of lemon and some brown bread to mop up that sauce. Did we say how good it is..?

## THE MAIN EVENT

### BEEF CHILLI – £10.95

Our own recipe beef chilli the way the Mexicans would eat it! Cooked long and slow to maximise the flavour and tenderness of the beef. Served with rice, tortilla crisps, sour cream and spring onions. Some like it hot – so don't be shy, ask for some extra jalapenos.

### THE BISTRO STEAK – £12.95

8oz Flat Iron Steak better known as the Butlers Steak is a cut from the shoulder producing a flavourful steak for the smaller appetite. We recommend it not to be cooked any more than Medium Rare as it can be tough. Served with shoestring fries, grilled tomato and rocket salad.

### 8OZ SIRLOIN STEAK – £17.95

To a lot of people, it's the best cut. Enough fat to keep it juicy yet firmer than a fillet which means it has incredible flavour. Cooked to your liking, but we'd recommend medium-rare. Served with thick cut chips, griddled tomato and mushrooms.

### FULL RACK OF STICKY RIBS – £13.95

As we said, back in the starters – we marinate these ourselves and cook them long and slow until they're super tender and tasty and falling off the bone. Served with BBQ beans, charred corn on the cob, our own recipe coleslaw and shoestring fries. Ask for extra napkins, it's a messy affair!
